FRIDAY

TWO CENTS

IN MEMORY OF BRAVES OF SIXTIES

Fitting Tribute Is Paid In Coshocton and Coshocton County to Memory of War Veterans.

DEAD AND LIVING ARE BOTH HONORED

Impressive Services Are Held At Sixth-St. Theatre In Afternoon—Flowers Cover Graves.

With impressive ceremonies and exercises which lasted throughout the day, Memorial day was very fittingly celebrated in Coshocton and Coshocton county Thursday. Young and old alike joined in the observance of the day dedicated to the memory of the soldiers of Civil war days who have passed from this earth or still remain here and receive the plaudits and praises of the millions who have reaped benefit from the heroism of these men who are becoming fewer and fewer as each year passes by. Especially impressive and striking was the presence of the school children of the city who turned out in hundreds to pay tribute to their grandfathers who took part in the nation's greatest tragedy. The little folks with their flags and flowers marched in line preceding the veterans and scattered the fragrant blossoms under the feet of the boys of '61 as they marched into Oak Ridge cemetery to decorate the graves of their comrades who have succumbed to the battles of life as well as those of the days between '61 and '65.

At 8:30 the parade of veterans, school children, boy scouts, Sons of Veterans, members of the Woman's Relief Corps, Junior Order and the ladies auxiliary to the Sons of Veterans formed in line of march at the city hall behind the Coshocton Imperial band and marched up Main-st. to Sixth and out Sixth to Oak Ridge cemetery, where the impressive ritualistic services of the Richard Lanning Post and the Woman's Relief Corps were held over the graves of the soldiers who are dead. Wreaths made by the hands of the women of the Relief corps were placed on each grave, and flowers and flags were also strewn over the mounds of dirt by the little school children, who came with their arms full of sweet flowers to dedicate to those who fought for them.

After the exercises were completed at Oak Ridge cemetery the veterans and ladies of the Relief corps were taken into automobiles which were kindly donated by citizens of the city and were driven to South Lawn cemetery where the same impressive ceremonies were gone through with.

At 1:30 in the afternoon the memorial services were held at the Sixth Street theatre in the presence of a large audience. The old soldiers were all seated on the stage along with the speakers of the day and the male quartet which furnished several inspiring selections throughout the program. Rev. Bridge, of the Baptist church pronounced the invocation, which was followed by the reading of an order by Post Adjutant J. S. Squires. Mrs. Cora Renner read Lincoln's Gettysburg speech and then Paul Shepler made an address on the "New Era".

His address which was interesting and well delivered gave a graphic story of the change in things since the passing of those Civil war days when the North and South were strongly opposed to each other. Since that time a new state of things has come to pass. Hate and rancor ceases to exist in the hearts of the people of the North and South for those whom they opposed in line of battle fifty years ago. The smoke of battle has cleared away and this nation from the northern boundary to the southern boundary is one big brotherhood working for the same ends and no section holding any grudge against the other section.

A quartet consisting of C. B. Bryant, C. G. Smith, O. S. Bowen and Ed Dawson sang several selections, after which Dr. Hess, president of West Lafayette college, made a few appropriate remarks to the veterans and the entire audience. His address was full of pathos and anyone who heard it could not help but be imbued with a greater love for country. Dr. Hess is a speaker of great force and power and his descriptions of scenes on the battle fields in the Civil war days as they appear in his imagination were wonderfully pictured to the audience which sat before him. Dr. Hess's tribute to the veterans of war days was beautiful, and praise and commendation was well bestowed upon those men faithful to their country, who sacrificed everything to fight for the cause which they thought was right. Dr. Hess's address was short but very comprehensive.

After the exercises were completed at Oak Ridge cemetery the veterans and ladies of the Relief corps were taken into automobiles which were kindly donated by citizens of the city and were driven to South Lawn cemetery where the same impressive ceremonies were gone through with. Miss Shirley Burns, an author play, York, she declared. "My mother and right, living in New York, who, by mistake, was served with a summons for jury duty, and was angry because she was not allowed to serve. I think it is a shame that women are not allowed to serve on juries in New York."

Win In Yesterday's Races

SPEED RECORD IS SHATTERED

Indianapolis, Ind., May 31.—Joe Dawson in a National car won the 500-mile race on the speedway yesterday. His time was six hours twenty-one minutes, six seconds and he averaged 78.72 miles an hour, a world's record for the distance on any kind of road or track. The former speedway record was 71.6 miles, and 30,000 visitors from other cities and towns cheered the victory of the Indianapolis boy and the Indianapolis car.

Lack had something to do with the victory, for Ralph De Palma in a Mercedes was ten miles ahead of Dawson in the 150th mile. De Palma had led the parade from the tenth mile and seemed sure of victory. In fact he seemed not to have a chance to lose. But automobile racing is uncertain and with the race almost within his grasp the Mercedes car developed trouble and limped at a snail's pace around the track. Meanwhile Dawson saw his chance for glory and courage and drove fast, but car fully. The victory meant a fortune for the boy, his winning brought him more than \$20,000, including the extras.

Second place with its \$10,000 prize and some extras fell to Tetzlaff in a Fiat.

100 PRISONERS STRIKE AT PEN

Columbus, O., May 31.—One hundred prisoners at the state penitentiary went on strike today because they were ordered to work on a contract labor work. A vote was taken and the prisoners decided to strike. The men in the yard refused to begin work. The contract had been ordered on the pen by the state board of prison directors. THREATEN TO LYNCH A MAN

Man Drove Through Brass Band At Navarre, Injuring Six.

Navarre, Ohio, May 31.—Because of lunch threats, Wm. Miller, a farmer, was heavily guarded when taken into court today to face the charge of driving his horse among the members of a brass band at Navarre, five miles from here, yesterday as they were marching to lead the Memorial parade. A mob threatened to lynch Miller when he was paraded in jail. Miller was held for the grand jury on charges of a mob.

DIES FROM BLOW DEALT BY A HORSE

Frazeysburg Man Was Struck On Nose By Animal's Head Through Accident.

INJURY THOUGHT TO BE TRIVIAL

Blood Clot Forms On Brain and His Death Comes Unexpectedly—Leaves Family.

A blood clot on the brain of William Host, 50, resulting from a blow in the face, sustained two weeks ago when the horse he was leading jerked its head to one side striking Host in the face, caused his death at Frazeysburg at 4:20 o'clock Thursday morning.

Mr. Host was struck near the base of the nose, and was forced to have silver tubes inserted in order to breathe. Tuesday evening a blood clot formed on his brain and he went into convulsions. Preparations were being made to have him removed to the state hospital at Columbus Wednesday morning, but death intervened.

Mr. Host was a well known poultry dealer, and is well known in Coshocton, where he had some business dealings. He leaves a widow and two children. When the man was injured none thought the injuries serious and he was evidently recovering from the shock of the blow when the blood clot formed and he died.

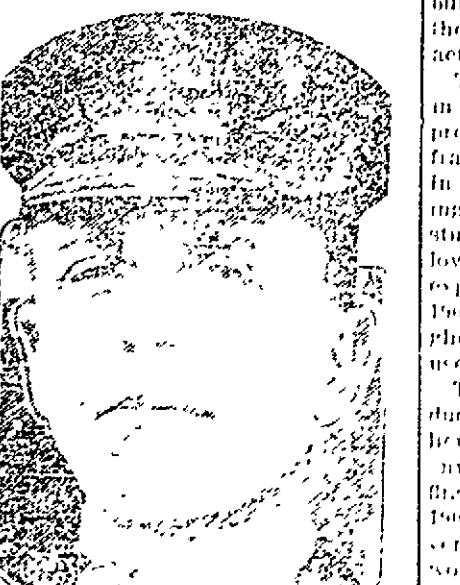

HORSE RUNS AWAY IN A CEMETERY

Mr. and Mrs. Theodore Neighbor, of Newcomerstown, figured in an exciting runaway Thursday afternoon at the cemetery at Newcomerstown while attending the Memorial day services. Their horse became frightened at a passing train and started to run over the graves and tombstones. The carriage was overturned and both occupants were thrown to the ground. Mrs. Neighbor received a bad cut over the right eye.

TWO HURT ON ROAD GRADER

Harvey Brendly and Basil Leavitt, of the Bloomfield vicinity had their fingers crushed Wednesday afternoon while they were operating a road grader between Mound and Bloomfield. In coupling the engine to the grader early Wednesday afternoon Brendly had the index finger on his right hand, mashed by the coupling pin. Leavitt's right hand was caught between a chain on the grader and the iron upright on a bridge and two fingers were crushed.

Condemned for Conduct at Titanic Sinking

Captain Lord, who was commander of the S. S. Caronia, the vessel which went down with such a terrible loss of life. In the report of William Alden Smith of Michigan, chairman of the committee appointed to investigate the disaster, it was asserted that every soul on board the ship would have been saved had Captain Lord heeded the distress signal rockets sent up from the Titanic and plainly visible from the deck of the Caronia. It is said that Captain Lord's command has been taken away from him because of his seemingly criminal negligence.

FIRST TO FLY

American Inventor of the Heavier-Than-Air Plane Who Died at Dayton Thursday Morning

W. WRIGHT WON FAME THRU TOY

Noted Aviator Dies At Dayton Home At the Dawn of Memorial Day.

Dayton, O., May 31.—Wilbur Wright, first aviator of the world, died here at 3:30 a. m. yesterday. The man who with his brother Orville, invented and perfected the first successful heavier-than-air flying machine succumbed to typhoid fever after a battle for life that lasted for weeks. The end came after one of the most remarkable struggles against the disease that physicians have ever known. For more than 35 hours Wright's temperature had stood between 101 and 105 degrees, while his respiration was between forty and fifty. His pulse averaged 110. Stimulants were resorted to and for the last three days have been used freely. Since midnight Wright began to sink rapidly. His pulse grew weaker and he failed to respond to stimulants.

Wilbur Wright shared with his brother, Orville, the distinction of being the first to fly. Students of world progress have placed these names in the Hall of Fame in immediate proximity to those other pioneers of advancement, Gutenberg, Watt, Edison, Stevenson, Edison, Bell and Marconi. Wilbur Wright and his brother, Orville, natives of Ohio, began their experiments in flying when they were mere boys. Their stepfather gave them a helicopter as a toy. The curious little instrument, when wound up, flew about the room over the heads of the delighted youngsters. Unlike most boys, instead of quarrelling for possession of the toy they played with it together and set their precocious young brains to the task of first imitating and then improving upon the toy. As they grew up their interest in aviation was manifested in the building of kites and blimps in 1896 they took up in earnest the study of actual flight.

They were in the bicycle business in Dayton, Ohio. It was with the profits of this business that they defrayed their expenses of experiment. In 1901 they operated their first gliding machine, a biplane. Exhaustive study of air pressure during the following winter was followed by more experiments in 1902, increased in 1903, and they then attached to the glider a motor of the type used in automobiles. Then later experiments were conducted at Kitty Hawk, N. C., and in 1903 a passenger they attached an oval to the biplane for the first flight. On the 17th day of October, 1903, the machine flew, with its inventor. Owing to their courage, the world doubted their success until four years later, when they published, demonstrated their ability to fly, and proved beyond contradiction that two years before any other man had flown for one minute they had flown repeatedly for more than 26 miles.

With the perfection of the Wright biplane, Wright went abroad, where he was hailed in every land as the man who had recently could fly. In 1907 the native Americans, ever on a background for his fame, rapidly and nobly honored him everywhere, but he remained the day, secretary, centered, good natured American, to be making a business of it. After accepting contracts with several European governments for supplying airships for military purposes, Wilbur Wright returned to the United States to find that "the brother without honor in his own country" was a world idol to be honored at last at home. At the White House honors were showered on him and the army adopted him as savior of the nation's prestige in aerial navigation as applied to military maneuvers. Dayton closed up shop and held a three-day fête in honor of the two men who had been known to two years ago as "those crazy Wright boys."

But the Wright brothers were too busy to play the hero. They had machines to make for the world. They were making them in Germany, in Scotland and in Dayton and still they could not make enough of them. Their business grew and they quit flying. They taught others to fly and soon the countryside of every state was filled with flaming announcements of aviators in thrilling exhibitions in the Wright machines.

BOY SHOOTS HIMSELF IN BREAST TRYING TO GET BULLETS FROM REVOLVER

Johnny Fivecoats, 9, Son of Alvin Fivecoats, of Near Conesville Is In Critical Condition and It Is Feared He Will Not Recover.

Finds Brother's Gun In Suitcase in Upstairs Room—After Accident He Tries to Crawl on Hands and Knees to His Mother's Side.

While Johnny Fivecoats, 9 years old, was trying to extract the cartridges from a 32 calibre revolver which he found in a suit case at noon Friday at the home near Conesville, the gun was discharged accidentally. The bullet pierced the boy's left hand and entered the left side of his breast just a few inches below his heart. His condition is critical.

Johnny and his brother Charles, 12, the accident. Years old, left their mother Mrs. Alvin Fivecoats, to go upstairs and play. Childish curiosity lead them to open and ransack a suit case owned by their elder brother William. They found the 32 calibre revolver with every chamber loaded. Johnny took charge of the deadly weapon while Charles and another brother, Raymond, 7 years old, watched. Johnny tried every conceivable way of extracting the shells but was meeting with no result. With the muzzle of the revolver pointed directly at his breast, the left hand covering the end of the gun he continued his investigation. Suddenly there was an explosion and the lad dropped to the floor crying with pain.

Raymond, the youngest of the family, started crying with fright. He ran down the flight of stairs to his mother and flpped the meagre details of what had happened.

Raymond, the youngest of the family, started crying with fright. He ran down the flight of stairs to his mother and flpped the meagre details of what had happened. The bullet had passed through the little lad's hand and into his breast, creating a round hole in the tender flesh missing the heart by but a small margin. Neighbors Friday afternoon said the boy was resting easily but it is feared that he has little chance for recovery.

C.H.S. TEAM IS LOSER AGAIN

Locals Tally Three Against the Six Made By Newcomerstown

The last game of the season for the Coshocton high school baseball team resulted in a defeat for the local boys at the hands of the Newcomerstown high school team on the latter's grounds Thursday afternoon by the score of 6 to 3.

The team from Coshocton was slightly handicapped by the absence of several of its best players of the aggregation and the team was composed of several substitutes who have not been playing regularly throughout the season.

The local high school team has not had a very successful season as far as victories go. Only two games have been won while four or five have gone to their opponents. On account of the short season the local boys did not get a good start and hardly had reached their gait, when they were forced to stop playing on account of the closing of school.

LOCAL CLERK GIVEN HONOR

L. T. McCamant Elected Vice President at P. O. Clerk's Convention

Lee McCamant of the local post office was highly honored at the national convention of post office clerks held in Columbus Thursday when he was elected second vice president of the organization. The honor is a splendid one and exceedingly bestowed.

The convention was in charge of the Columbus association. A theatre party was arranged for the guests and the delegates to the convention. After the business session an eight-course banquet was served at the Southern hotel with over 200 persons seated at the table. The next convention will be held at Dayton.

GREAT WEALTH OF ROCKEFELLER

New York, May 31.—John D. Rockefeller is now worth more than \$900,000,000, according to estimates published by the New York World. The dissolution of the Standard Oil Co., is said, has added more than \$100,000,000 to the value of the oil king's stock holdings in the past year. The newspaper statisticians figure that his income is about \$60,000,000 a year, or more than \$140 a minute.

LAXATIVE
for
Aged
People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Millions Die of Kidney Disease; tens of thousands have it right now and never suspect it.

The surest and wisest plan to always keep the kidneys healthy and free from poisonous matter that leads to Bright's disease, dropsy and other serious diseases is to take a few doses of Thompson's Barosma every month.

It is a harmless vegetable remedy put up in liquid form, is quickly assimilated and gets to the sick kidneys at once. If your kidneys are weak, inflamed or clogged up, Thompson's Barosma will put them in splendid shape again. If they are not diseased, the gentlest of all kidney remedies will tone up your system anyway.

Page & Lorenz sells Thompson's Barosma for 50 cents and \$1 a bottle on money back plan. It never fails to cure backache, sideache, sharp shooting pains and all kidney, liver or bladder disease. In conjunction with Barosma always take Thompson's Laxative and Mucilage Pills (25 cents) when constipation is present. Thompson Medical Co., Titusville, Pa.

Principals in Bribery Trial

At the top, Bert Franklin, who was a detective for the defense at the trial of the McNamara brothers, who confessed and were sentenced for the blowing up of the Los Angeles Times. Franklin was used by the prosecution in the trial of Clarence Barrow, the noted labor attorney, to prove that Barrow had instructed Franklin to "fix" certain jurors who were sure to be selected for duty in the trial of the McNamaras. Franklin testified that Barrow gave him \$1000 with which to bribe one juror, and promised him more.

Something About Chinaware
Every woman is proud of her china, and wants to keep it looking new and perfect. So often she will use the wrong kind of soap on it and inure it in appearance, make it look worn and cheap. "Easy Task Soap" is the hard, white, pure laundry soap. Not only does it clean china quickly and safely but its antiseptic qualities sanitize the china. In these days of germ-caused diseases this is an important point.

Change of Residence.

THE LIGHT FRONT

EIGHT KILLED IN A WRECK

Munich, Germany, May 31.—At least eight persons were killed outright and 41 others were injured in the collision of two trains on the railroad bridge between Berchtesgaden, Bavaria, and Salzburg, Austria, yesterday. A number of cars were wrecked and the debris was piled up into hillocks along the track.

Relief was sent to the scene from Reichenhall. A wrecking train carrying nurses was dispatched. Early reports from the scene stated some of the injured were so badly injured that they could not survive.

The railroad connects with the Austrian Western railway line at the frontier. It runs through mountainous country.

Sorest Corn Removed Without Pain, Quickly

No wonder Putnam's Painless Corn Extractor sells so well. You see it is different from any other remedy you have ever used. Does not merely relieve the pain temporarily, but is guaranteed to remove the meanest, sorest corn or callous no matter how long it has bothered you. Get a 25c bottle of "Putnam's" today and prove it. The name tells the story—Putnam's Painless Corn and Wart Extractor, which is sold by druggists.

Miss Beldie Hardesty and Mr. Bennett Corder were married last Monday. They will make their home in Coshocton where Mr. Corder has work. We regret to lose Miss Hardesty (Mrs. Corder) from our circle of young people. We extend hearty congratulations.

Mrs. James Akers and two little daughters Helen and Madeline of Cleveland have been spending some days the guests of her parents, Mr. and Mrs. G. J. McFarland. She with her father expect to visit Mrs. Emma Farrell and Rev. and Mrs. Wilson of Byesville this week.

Miss Blanch McConnell is training the children for Children's Day to be observed at this place some time in June.

The ladies of the F. M. S. held their monthly social at the home of Mr. and Mrs. Louis Gibson last Thursday. A good time was enjoyed by all.

LAST SAD RITES FOR THEO. AGNEW

The funeral services over the remains of Theodore Agnew were held Thursday afternoon. At 2:15 short private services were held at the residence on South Fourth st. and then the body was taken to the Presbyterian church where public services were held, attended by a large number of friends of the man.

Rev. George Brower officiated and the services were impressively conducted by him. Jas. R. Johnson gave a brief biography of the life of Mr. Agnew. Following the services the body was taken to Oak Ridge cemetery for burial.

When Woman's Work is Done

Somebody said, "Woman's work is never done." Anything that emancipates her from this form of slavery is hailed with joy. This is the reason for the constantly increasing popularity of "Easy Task Soap," the hard, white, pure laundry soap, that does half the work of wash day by itself. Add to this the fact that it positively does not rot or streak the clothes, that it bleaches faces, laces, flannels, silks, bedding, table cloths and all fabrics perfectly, and you will understand why it should be in your house right away.

STREET CAR LINE PLANS ANNOUNCED

Sugar Creek, May 31.—Sugar Creek residents are enthusiastic over the proposed street car line from New Philadelphia to Millersburg, via Sugar Creek and Millersburg. That they want the line badly was evidenced at a meeting held Wednesday night.

J. W. Wiggins of Warren, Pa., one of three promoters of the proposed line, was here and gave out his plans. He wants to raise \$5000 among Millersburg and Sugar Creek residents for expenses to construct the first section of the road, which will connect this town and Millersburg. As soon as this section is built work will be started to connect

WHAT A TONIC SHOULD DO

Increase the Strength and Give Vigor to the System.

Webster's dictionary defines a tonic as a medicine that increases the strength and gives vigor to the system. That tells why Dr. Williams' Pink Pills for Pale People are a real tonic. Thousands of men and women are ailing today, not sick in bed but without strength and ambition to do a full day's work. No one organ seems to be at fault yet the whole system is lacking in health. They cannot sleep or get rest, are always tired out or nervous. Many have headaches, backaches and stomach trouble. All such people need the tonic help of Dr. Williams' Pink Pills for Pale People. The beneficial influence of this medicine reaches the whole system. Dr. Williams' Pink Pills do more than relieve one or two of the symptoms, they remove the cause.

The experience of Mrs. James F. Meynell, of Sullivan, Me., with this blood-making medicine is given in her own words, as follows: "My reason for recommending Dr. Williams' Pink Pills for Pale People to others is that they saved me from a long illness and probably from consumption a few years ago. When teaching a country school I became so completely run down that I could not attend to my duties. My appetite failed me and I became so weak that it was with great difficulty that I could walk upstairs. I had palpitation of the heart and was short of breath. I also lost my weight. The people with whom I boarded recommended Dr. Williams' Pink Pills for Pale People. I gave the remedy a trial and soon felt my strength returning. In a very short time I was perfectly well. More recently I again took Dr. Williams' Pink Pills. I had been suffering from rheumatism for several months. The disease settled in the joints all over my body. I could just get around the house by the aid of a chair. The pains were so sharp that I could hardly keep from screaming. I suffered all through the summer until early fall. As the doctor did not help me I again turned to Dr. Williams' Pink Pills. I gradually got better and took the pills until cured and have had no return of the rheumatism since."

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

French Formula Cure for Excess Sweating and Odors

Excessive perspiration at any part of the body, especially at the armpits, causes a repulsive odor besides being very uncomfortable otherwise. This is an unsightly condition and should be checked, the excess being carried off through other pores of the body. But there is only one prescription known that will do this successfully, scientifically and quickly. It is made from a French formula and is called Zeato powder. Any druggist has it in stock or will get it from his wholesale house. It is put up in twenty-five cent packages Zeato powder gives instant results and is equally valuable for other uses. Chafing, itching and sweatiness are cured after shaving and after a superior baby powder. But be sure you get the genuine Zeato powder and don't be persuaded to take something else in place of it.

A Remedy No Family Should Do Without

No matter how healthy a human being may be it is safe to say that not many months are passed without some obstruction of the bowels in other words, constipation, even if only temporary. The idea that the daily routine may start after the evening meal. If a laxative is not taken that night it is certain that sleep will not be sound, and you will awaken unrefreshed.

Hence, it is important for you and for all the members of your family that you want it at hand in case of emergency. It is sure to be needed, and when needed careful of its health can do without such a remedy. But the question of which remedy to have on hand is also of vast importance.

The laxative most highly recommended by the majority of intelligent Americans as being best for babies and grownups is Dr. Caldwell's Syrup Pepsin.

It is a liquid laxative-temic, mild, and never gripes, is effective on robust people and can be given with safety to an infant. Children like it because of these gentle qualities and because it is pleasant to the taste.

It is the best all-around remedy you can have in the house for any disorder of the stomach, liver and bowels, and many people like Mr. Thos. C. Avery, 412 S. Grove St., Bowling Green, Ohio, and Lafayette Becker, 605 G. St., Findlay, Ohio, say they would as soon be without the necessities as without Dr. Caldwell's Syrup Pepsin.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Montreal, Ill. Your name and address on a postal card will do.

\$1150
Complete
Cob. Detroit

The only moderate priced car with these great advantages

You may search the entire market for another medium-price car with Courier features—and not find one. It has unusual value, as shown by those important details which most interest you.

Body—Courier bodies are spacious, deeply upholstered, finished in dark coach blue. They have flush sides, inside control, pleasing lines. You'd be glad to motor with your family in a car of the Courier's self-evident class.

Equipment—Its completeness makes Courier price all the more extraordinary. You have no expense for accessories. Your Courier has self-starter, mohar top, top boot, side curtains, windshield, gas tank and headlights, oil side and rear lamps, horn and tools.

Motor—It is a quiet running 30 h.p. motor, starting from the seat. A long stroke gives it continuous power and greater economy. It is cast in bloc, runs on ball-bearings, has thermo-siphon water cooling and dual ignition. It is simple and flexible—throttles down to mere movement and "picks up" easily and quickly. If you've ever driven another car you'll appreciate the Courier engine.

Brakes—The most important part of a motor car. Couriers have four large brakes acting directly on the rear wheels and equally effective when moving forward or backward—down hill for instance. They do not grip, but take hold smoothly and firmly. The confidence you feel when these brakes are applied is pleasant—you often do not get it in other cars—even expensive ones.

Lubrication—Courier has a perfected circulating system for the motor. Put in a gallon of oil about every 800 miles. Many grease cups are provided—on spring shackles, steering connections, and such places, and always easy to reach.

Telephone or write and we'll call and take you for a real ride.

CONVENTIONS
Now that the national conventions are dawning upon us, the politicians are trying to find consolation in past history. That is, they are turning through the musty pages of their memories, seeking precedents, in order that they may convince themselves all the more readily that their respective candidates will be nominated.
And a man can find, too, a precedent for almost anything in politics. He can review past conventions and ascertain that the "leading candidate" received the nomination, or that the man who was not mentioned in the beginning eventually secured the prize. So there is encouragement for all in these more or less ancient records.
The Democratic conventions since 1876, have shown, with one exception, that the candidate who led on the first ballot received the nomination. The exception was in 1896, when there were fourteen candidates voted on the first ballot, with Bland leading. In fact, Bland led for three ballots, when William Jennings Bryan distanced all others and was nominated on the fifth ballot.
In 1876 there were six candidates, on the first ballot. Tilden received the greatest number of votes, 117, and won out on the second ballot.
In 1880 there were nine candidates receiving votes on the first ballot, with Hancock leading with 171 votes. He was nominated on the third ballot.
Grover Cleveland led the other eight candidates in 1884, receiving 332 votes on the first ballot. He was nominated on the second ballot. In fact, he would have been nominated on the first ballot if the numerous changes which were taking place had been allowed before announcing the vote. Cleveland had no opposition in 1888.
In 1892 there were eleven candidates in the race when the balloting began, but it was a foregone conclusion that Cleveland would again be nominated. His nomination was made certain on the second ballot.
In 1900 Mr. Bryan was again nominated. After his remarkable race in 1896, no other Democrat was prominently mentioned. It seemed to be certain all during the four years that the Nebraska would be given another chance, and when the convention met he had no opponent.
A compromise candidate was acted upon at St. Louis, in 1904, before the balloting began, and although twelve men were voted for, Parker lacked only nine votes of nomination on the first ballot, and before the vote was announced enough votes were changed to him to make his nomination certain on that ballot. Mr. Bryan, who had opposed Parker before the balloting

had agreed, in a sense, to withdraw his opposition if his friends were allowed to write the platform, which was done. Mr. Bryan predicted defeat for Parker, and told the convention that his nomination would be political suicide, which proved to be the case.
At the convention at Denver in 1908, three candidates received votes on the first ballot, but Mr. Bryan received more than the two-thirds necessary to make him the nominee.
Despite the fact that the Democratic conventions require a candidate to secure two-thirds of the votes before being declared the nominee, while the Republican conventions require a bare majority, the Democrats have had less trouble nominating candidates than have the Republicans. The reason for this, it seems, has been largely due to the fact that the Democrats stood little chance of electing their nominees, and the honor has not been so intensely sought as has been the Republican nomination.

THE TITANIC
Insofar as American law is concerned, the Titanic disaster is closed in congress Senator Smith, chairman of the investigating committee, has filed his report and congress has voted on \$1000 medal to Capt. Roston, of the Carpathia, who picked up the survivors. On the other hand Capt. Lord of the Californian is censured. Senator Smith declares America leaves to England the punishment of the guilty, and quoted English law to show Capt. Lord may be held. The report in brief, developed the following findings:
Blame is put on dead Captain Smith for not heeding iceberg warnings.
Responsibility for loss of life laid at the door of Captain Lord of the Californian, whose ship did not respond to distress signals.
Captain Roston of the Carpathia, highly praised for valor.
Before the Titanic departed on her maiden voyage there were not sufficient tests of boilers, bulkheads, equipment or signal devices.
Officers and crew were strangers to each other and not familiar with the ship's implements or tools, and no drill or station practice took place and no helpful discipline prevailed.

Farewell Party is Given for Esther Wimmer.

Miss Esther Wimmer who leaves soon for her new home in Columbus was delightfully honored Wednesday evening when about thirty-five of her boy and girl friends gathered at her home on Vine street for a farewell party. The affair was a complete surprise to Miss Wimmer. The evening was spent in a jolly way with games and music and delicious refreshments were served at a late hour.

Dutter Team Wins Whist Tournament.

After a hard fight, the final game of the second series of the whist tournament, played at the Country Club last night, was won by Dutter's sturdy band of players with a score exceeding that of their opponents by 108. Mr. Henke made the highest score of the evening which was 67, and Mr. Preston carried off honors for the entire series by a total score for the four games of 228. Mr. Preston also made the highest score of the first series, making twice that he has had his name engraved upon the cup.

After the game last night, a lunch was enjoyed by all present, which according to rules, was paid for by Holderman's losing team, and it is said that all played up willingly except Holderman who had spent all his money paying caddies in the afternoon and didn't have thirty cents left.

It was decided last night, owing to the fact that Thursday nights are to be club nights, to change the night of meeting to Monday night, and beginning next Monday they will meet once a week on that night. And it was also decided to play duplicate whist during the next series meeting of plain whist as heretofore.

The respective scores of the players made last night are as follows:

N. & S.	E. & W.
Dutter 47	Holderman 38
Coraz 16	Compton 52
Pay 55	Hay 52
Henke 65	McKeown 56
Humebaugh 55	Preston 53
Jackson 51	Rider 37
Lynde 18	Scott 31
Smith 30	Thompson 27
Ed Vail 51	S. M. Vail 17
Retnrow 61	

The highest total scores for the series are: Preston 228, Dutter, 207, Compton 200, Rider 196 and Day 191.

Dist. No. 4 M. E. Church With Mrs. McCormick.

The members of district No. 4 of Grace M. E. church and a few other of her neighbors very pleasantly surprised Mrs. Milton McCormick at her home on South Seventh street Wednesday night. The occasion was Mrs. McCormick's birthday anniversary. Some of the guests came masked as ghosts which added much to the gaiety of the evening. A most pleasant time was enjoyed by the thirty or more present and late in the evening dainty refreshments were served.

New Linen Suitings and

Harmonizing NEW STYLISH LACES

are combined in a window display today that will attract and interest you and especially if you are contemplating the purchase of a linen costume along with the majority of Coshocton's best dressers. This has been the largest linen season in our experience, hundreds and hundreds of yards having been sold and now with a general replenishing of all grades we can offer practically the same magnificent assortment of weaves that we had earlier in the season. For instance we have:

A fresh supply of Blouse Linen in the natural shade in four qualities: 27 inch at 15c and 20c; 36 inch at 25c and 35c; that we are told excel any other blouse linens in the city.

A fresh supply of White Ramie Linen in two qualities: 36 inch at 50; 45 inch at 75c. If you were disappointed in not getting some of this White Linen, now is your chance.

A fresh supply of that beautiful 36 inch Natural Linen Crash at 50c that has been such a wonderful seller among those who appreciate handsome quality.

A fresh supply of that splendid 36 inch Hopsacking at 50c, that tailors and holds its shape so well and that has been one of the very big sellers.

A fresh supply of that heavy coarse waver crash, 36 inch at 25c, that formerly sold at 35c. We got a small quantity at a reduced price and the saving of 10c a yard goes to you.

The New Laces are exquisite in every detail — width, weave, color and design all conforming to the latest ideas. New Ratine, Macrame, Venise, Caricmacrosse, etc. being much in evidence in both white and ecru and in designs that are unusually handsome.

Fashion has decreed that LINEN COSTUMES will be general favorites among good dressers everywhere and your wardrobe should contain at least one if you would be spoken of as one fashionably attired. See the fresh supply of LINEN SUITINGS TODAY.

The Adventures of AVERAGE JONES Gentleman Detective By SAMUEL HOPKINS ADAMS

COPYRIGHT 1911, THE BOBBAS-MERRILL COMPANY.

Open Trail

(Continued from Last Issue)

"A small boat trip following a sea trip, then. What else have you found?"

"Nothin' much. Mosquito netting, pills, surgeon's plaster and odds and ends of drugs."

"Let me see the drug list."

He ran his eye down the paper. Then he looked at Doctor Hoff with a half smile.

"You didn't notice anything peculiar about this list?"

"Don't know as I did."

"Not the—er—nitric acid, for instance?"

"None. What of it?"

"Mr. Hoff, your son has been caught by one of the oldest tricks in the whole bunch list—the lost Spanish mine swindle. That acid, together with the rest of the outfit, means a gold-hunt as plain as if it were spelled out. And the Spanish professor was sent for, not to give lessons, but to translate the fake letter. Where does your son bank?"

"Fifth National."

"Telephone there and find out how much he drew."

Doctor Hoff sat down at the phone. "Five hundred dollars," he said presently.

"Is that all?" asked the other, disappointed.

"Yes. Well. He had six checks certified—aggregating ten thousand dollars."

"Then it isn't South America or the West Indies. He'd want a letter of credit there. Must be some part of the United States, or just across the border. Well, we've done a good day's work, and I've got a hard evening's thinking before me. We might be able to head off the colonel's personally conducted expedition yet, if we could locate it."

The evening's thinking formulated itself into a telegram to Average Jones' club, the Cosmic. It was one among the many distinctions of the modest little club in Gramercy Park, that its membership pretty well comprised the range of available information on any topic. Under the "favored applications clause," a person whose knowledge of any particular subject was unique and authoritative, whether the topic were Esperanto or Astoria, went to the head of the waiting list automatically and had his initiation fee remitted. Hence,

THE JEWELER, OPTOMETRIST

526 Main St., Coshocton, O.

Average Jones was confident of a helpful reply to his message of inquiry, which summed up his conclusions and surmises thus far:

"COSMIC CLUB, NEW YORK CITY:—Refer following to geographical expert. Where is large chalice, mapped body of salt water in United States, or near border, surrounded by hot, snake-infested desert and mountainous country, reputed to contain gold? Spanish associations indicated. Wire details and name of best guide, if obtainable."

A. JONES.

The reply was disappointing:

"Cyrus C. Allen absent from town. Will forward your wire."

"COSMIC CLUB."

Well poised as Average Jones normally was, he chafed over the ensuing delay of four days, each of which gave the colonel's expedition just so much start upon its unknown course. The only relief was a call from the Spanish instructor who answered Jones' advertisement. He was the same who had served young Hoff As the Ad-Visor, surmised, his former employment had been merely the translation of a letter. The letter was in base Spanish, he said. He didn't remember much of it, but there was something about a lost gold mine. Yes; there was reference to a mine. No; no geographical names were mentioned, but in several places the capital letters B. C. seemed to indicate a locality. He hadn't noted the date or the signature. That was all he could tell.

Doctor Hoff, who had been ramping with impatience over the man's lack of definite memory, now rushed to the atlas and began to study the maps.

"You needn't trouble," said Average Jones coolly. "You won't find it there."

"I'll find that B. C. if I have to go over every map in the geography."

"Then you'll have to get a Spanish edition. For a guess, B. C. is Baja California, the Mexican peninsula of California."

Jones sent a supplementary wire to this effect to Cyrus C. Allen, of the Cosmic Club, and within a few hours received a reply from that eminent cartographer, who had been located in a remote part of Connecticut:

"Probably Laguna Salada, not on map. Seventy miles long; four to eight wide. Between Cocopah and Sierra Gigantica ranges. Country very wild and arid. Can be reached by water from Yuma, or pack train from Calexico. Yuma, who has hunted there, says Captain Fumke, Calexico, best guide."

"ALLEN."

Average Jones tossed this over to the father.

"As I figure it," he said, "your son's two friends had this all mapped out beforehand for him. One went west direct. He was the imbecile who stopped in Cincinnati and mailed you the bloody shirt to throw you off the scent. Meantime the colonel took lodgings around by a sea route, probably New York and New Orleans."

BALTIC TO HAVE NEXT S. S. MEETING

New Philadelphia, May 31—Baltic will get the 1912 convention of the Tuscarawas County Sunday School association.

At the meeting of a special committee of the association, in the Lutheran church here, Wednesday afternoon, it was decided to hold the fifty-second convention at Baltic. Churches and churches at Strasburg also made bids for the convention. Fred Barthelme, elected secretary of the association, led the Baltic forces in their fight for the meeting for their town.

While not centrally located in the county, some Sunday school leaders believe a highly successful convention can be held here.

The executive committee has not yet set the date for the Baltic meeting.

W. MORGAN SHUSTER

W. Morgan Shuster, the young American financial expert, who, as treasurer general of Persia attracted international attention by his defiance of the Russian government. He has just left New York for South America as a representative of the National City bank for the purpose of gathering first hand data concerning the general conditions of the republics to the south; the extent and nature of their exports and imports, government finances, the possibilities for railroad building and the prospects for mercantile and industrial developments in general.

MOOSE CHARTER CLOSING TONIGHT

The charter of the local lodge of the Moose will be closed Friday night with about 175 or 200 members enrolled. The state organizers, Oscar Becker and A. R. May who have been in Coshocton for the last several weeks will leave Saturday for their home in Pottsville, Pa., where they will spend some time with relatives. Later they will return to Ohio to take up their organization work.

Services at ChCh.

There will be services in the German Evangelical church at ChCh at 10 o'clock Sunday morning conducted by Rev. R. Reuss. After services a congregational meeting will be held.

Locals Sent Vernon Home With Blues

Coshocton Wins In Two Big Games With Hiawatha Park Team Here Thursday — Visitors Swamped In Afternoon Game.

The Coshocton Regulars took the Mt. Vernon Hiawatha Park baseball team down at a fast clip Thursday at Riverside park in two games. The morning game went to the locals by the score of 12 to 12. The game was one of the worst slugging matches ever seen on the local diamond, each team securing 18 bingles. Thompson and White, of the locals, each made five hits in the morning game and White scored four runs.

The afternoon game which lasted but five innings proved to be easier picking for the Coshocton team than the morning game. In the first inning the local boys crossed the plate six times, practically sewing the game up. Wiggins, pitching for the Coshocton team, was in good form and allowed his opponents but five hits in the five innings that were played.

The score and summary:

Morning Game									
	C	V	R	H	E	P	O	A	E
Coshocton	5	3	2	2	1	0	0	0	0

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Dr. J. C. Cheney & Co., Toledo, O. Sold by Druggists, 75c.

Take Hall's Family Pills for Constipation.

WARSAW DEFEATS LOCAL ATHLETICS

The Warsaw aggregation of ball players took the local Athletics into camp Thursday afternoon on the Warsaw grounds by the score of 11 to 3. The game was featured by the hard hitting of both teams, but those of the Warsawites seemed to go the farthest and brought in more runs.

Prasit!

The beer drinking English and Germans were our common ancestors, and by birthright we inherit their tastes and necessities.

The triumph of the Brewer's Craft—"Old Style Lager"—fulfills our constitutional requirements. Its taste is still its point of excellence because it is famous for its snappy taste.

"Old Style Lager" appeals to the particular man and the discriminating physician. Intelligent persons of this class well understand that the small percentage of alcohol in "Old Style Lager" will act as a tonic which will develop and strengthen the body and brain.

FIRST GAME NEXT MONDAY

The schedule for the Inter-Church baseball league has been announced. Games are to be played on Monday and Thursday evenings at the fair grounds beginning June 3. The schedule is as follows:

S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the pollution continues in the blood, the ulcer remains an open cesspool for the deposit of impurities which the circulation throws off. S.S.S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely gets away with the cause. When S.S.S. has cleared the blood, the sore goes away to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills in with firm, healthy flesh. Under the purifying and tonic effects of S.S.S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.

The Adventures of AVERAGE JONES Gentleman Detective By SAMUEL HOPKINS ADAMS

Open Trail

(Continued from Last Issue)

"A small boat" (tip following a sea trip, then. What else have you found?"

"Nothing" much. Mosquito netting, pills, surgeon's plaster and odds and ends of drugs."

"Let me see the drug list."

He ran his eye down the paper. Then he looked at Doctor Hoff with a half smile.

"You didn't notice anything peculiar about this list?"

"Don't know as I did."

"Not the—er—nitric acid, for instance?"

"Nope. What of it?"

"Mr. Hoff, your son has been caught by one of the oldest tricks in the whole bunch list—the lost Spanish mine swindle. That acid, together with the rest of the outfit, means a gold-bunt as plain as if it were spelled out. And the Spanish professor was sent for, not to give lessons, but to translate the fake letter. Where does your son bank?"

"Fifth National."

"Telephone there and find out how much he drew."

Doctor Hoff sat down at the phone. "Five hundred dollars," he said presently.

"Is that all?" asked the other, disappointed.

"Yes. Wait. He had six checks certified aggregating ten thousand dollars."

"Then it isn't South America or the West Indies. He'd want a letter of credit there. Must be some part of the United States, or just across the border. Well, we've done a good day's work, and I've got a hard evening's thinking before me. We might be able to head off the colonel's personally conducted expedition yet, if we could locate it."

The evening's thinking formulated itself into a telegram to Average Jones' club, the Cosmic. It was one among the many distinctions of the modest little club in Cranberry Park, that its membership pretty well comprised the range of available information on any topic. Under the "Favored" applications clause, a person whose knowledge of any particular subject was unique and authoritative, whether the topic were Esperanto or fistiana, went to the head of the waiting list automatically and had his initiation fee remitted. Hence,

THE JEWELER, OPTOMETRIST

Average Jones was confident of a helpful reply to his message of inquiry, which summed up his conclusions and surmises thus far:

"COSMIC CLUB, NEW YORK CITY: 'Refer following to geographical expert. Which is large hollow, un-mapped body of salt water in United States, or near border, surrounded by hot, snake-infested desert and mountainous country, reputed to contain gold? Spanish associations indicated. Wire details and name of best guide, if obtainable.' A. JONES."

The reply was disappointing:

"Cyrus C. Allen absent from town. Will forward your wire. 'COSMIC CLUB.'"

Well poised as Average Jones normally was, he chafed over the ensuing delay of four days, each of which gave the colonel's expedition just so much start upon its unknown course. The only relief was a call from the Spanish instructor who answered Jones' advertisement. He was the same who had served young Hoff As the Ad-Visor surprised, his former employment had been merely the translation of a letter. The letter was in base Spanish, he said. He didn't remember much of it, but there was something about a lost gold mine. Yes; there was reference to a map. No; no geographical names were mentioned, but in several places the capital letters B. C. seemed to indicate a locality. He hadn't noted the date or the signature. That was all he could tell.

Doctor Hoff, who had been ramping with impatience over the man's lack of definite memory, now rushed to the atlas and began to study the maps.

"You needn't trouble," said Average Jones coolly. "You won't find it there."

"I'll find that B. C. if I have to go over every map in the geography."

"Then you'll have to get a Spanish edition. For a guess, B. C. is Baja California, the Mexican peninsula of California."

Jones sent a supplementary wire to this effect to Cyrus C. Allen, of the Cosmic Club, and within a few hours received a reply from that eminent cartographer, who had been located in a remote part of Connecticut:

"Probably Laguna Salada, not on map. Seventy miles long; four to eight wide. Between Cocopal and Sierra Gigantica ranges. Country very wild and arid. Can be reached by water from Yuma, or pack train from Calexico, White, who has hunted there, says Captain Fierke, Calexico, best guide. 'ALLEN.'"

Average Jones tossed this over to the father.

"As I figure it," he said, "your son's two friends had this all mapped out beforehand for him. One went west direct. He was the imbecile who stopped in Cincinnati and mailed you the bloody shirt to throw you off the scent. Meantime the colonel took Roderick around by a sea route, probably New York and New Orleans."

BROTHER OF LOCAL WOMAN DIES FRIDAY

Mrs. W. E. Hunt of South Fourth street Thursday received a telegram telling of the death of her brother W. Denny Totten who died at the home of his son "Miller Totten," a well known druggist in Pittsburg at 8 o'clock Friday morning. Mrs. Hunt will not attend the funeral service.

Lame back is usually caused by rheumatism of the muscles of the back, for which you will find nothing better than Chamberlain's Liniment. For sale by all dealers.

DENNISON PARAGRAPH IS SOLD

W. A. Pittenger, veteran editor of The Paragraph, one of the leading publications of the Twin cities Friday sold his business to a Massillon man, until recently business manager of the Massillon Independent. The change is effective Saturday.

Itching, bleeding, protruding or blind piles yield to Doan's Ointment. Chronic cases soon relieved, finally cured. Druggists all sell it.

BALTIC TO HAVE NEXT S. S. MEETING

New Philadelphia, May 31.—Baltic will get the 1912 convention of the Tuscarawas County Sunday School association.

At the meeting of a special committee of the association, in the Lutheran church here, Wednesday afternoon, it was decided to hold the fifty-second convention at Baltic.

Chillicothe and Strasburg also made bids for the convention. Fred Barthelme, elected secretary of the association, led the Baltic forces in their fight for the meeting for their town.

While not centrally located in the county, some Sunday school leaders believe a highly successful convention can be held here.

The executive committee has not yet set the date for the Baltic meeting.

New Scientific Corn Remover

Surest, Sanest, Safest, Quickest!

Say good-bye to every touchy, torturing, crippling corn and bunion every distressing dirt accumulating, foot-enlarging callous! There's a new and quick way—a sure and safe way—to completely rid yourself of all such pests, troublesome things.

"BINGO" that's the new scientific! The fruit of master scientific minds' tireless laboratory research and experience. Put "Bingo" on it and say—pain's gone just like that!

Corn dies, dries up and you pick out the whole blamed thing, body, seed, root, and all—so easily, painlessly, you can't help shouting "Glory to Bingo!"

No cutting—no bleeding—no blood poisoning! No injury to healthy flesh! No sticky stockings! No bothersome strays—no lumpy cotton balls! None of the usual annoyances.

Buy "Bingo" at your druggist's—25c—or if he hasn't it, send price to Dennison Pharmaceutical Co., 111 No. Dearborn St., Chicago, Ill. Sold in this city by Siegrist & Williams, Main-st.

W. MORGAN SHUSTER

W. Morgan Shuster, the young American financial expert, who, as treasurer general of Persia attracted international attention by his denance of the Russian government, he has just left New York for South America as a representative of the National City bank for the purpose of gathering first hand data concerning the general conditions of the republics to the south; the extent and nature of their exports and imports, government finances, the possibilities for railroad building and the prospects for mercantile and industrial developments in general.

MOOSE CHARTER CLOSES TONIGHT

The charter of the local lodge of the Moose will be closed Friday night with about 175 or 200 members enrolled. The state organizers, Oscar Becker and A. R. May who have been in Coshocton for the last several weeks will leave Saturday for their home in Pottstown, Pa., where they will spend some time with relatives. Later they will return to Ohio to take up their organization work.

Services at Church

There will be services in the German Evangelical church at Chili at 10 o'clock Sunday morning conducted by Rev. R. Reuss. After services a congregational meeting will be held.

"Mary as sure as you are alive"

You will never catch a fellow if you don't do something to make your hair grow. Those scanty locks of yours are disgraced!

"Do you know, my hair was almost as thin as yours; I had so little I thought I never could leave off wearing rats and puts until I heard of Mrs. Mason's Old English Shampoo Cream."

"It is made from conic cleansing herbs and different from anything else in the world. It frees the scalp from dandruff and all irritation and it does make the hair grow."

"Now, Mary promise me that you will go to C. E. Anderson's today and get a tube of this shampoo cream. It is only 25c a tube, enough for three or four shampoos."

THE NOSE A FILTER TO STRAIN THE AIR.

Catarrh Clogged Nostrils A Breeding Place For Deadly Germs.

The nostrils are perfect "air filters" and, when kept in clean, healthy state, strain every bit of air we breathe, catching all dust particles, foreign matter and germs. The air is full of germs. You cannot dodge them, but you can safeguard yourself against catarrh and other diseases contracted in the process of breathing by keeping the nostrils clean and healthy. Catarrh germs will sometimes get in their work, and you may mistake the symptoms for an ordinary cold.

Don't take any chances. If you have a stuffed up feeling in the head, or if your throat is sore or filled with phlegm, just grease the nostrils with a little Ely's Cream Balm, draw the pure, aromatic fumes back in the head, and you will feel a loosening up in the head, the nasty discharge will soon be stopped, the soreness gone, and you will feel a sense of genuine relief.

Ely's Cream Balm not only wards off catarrh, but will quickly cure even a chronic, long-standing case of catarrh. It takes the trouble right where it starts, in the nose and throat, cleanses, heals and strengthens the raw, sore inside of the nose, and in this way drives out catarrh and makes you proof against this filthy, disgusting disease.

Summer Colds, which often hang on for weeks, can be quickly cured with this cleansing, healing, antiseptic balm. All druggists sell it for fifty cents a bottle, and the one bottle is generally all that is needed to effect a complete cure. Try it to-day.

MAN ESCAPES DANGER

A narrow escape from being run over by a train or automobile gives a sense of danger easily realized.

James Allen of Brooklyn was in a danger just as perilous and he escaped by knowing just what to do.

In a letter he says: "I had been in poor health for three years and might have been yet if it had not been to Vinol, which built me up wonderfully. Almost immediately after I began taking it I began to improve and gain weight. My appetite is now good, I sleep well and feel as well as I ever did."

SAGE TEA WILL DARKEN THE HAIR

Restore Faded and Gray Hair to Natural Color—Dandruff Quickly Removed.

There is nothing new about the idea of using Sage for restoring the color of the hair. Our grandmothers kept their hair dark, glossy and abundant by the use of a simple "Sage Tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of Sage leaves, and applied it to their hair with wonderfully beneficial effect.

Nowadays we don't have to resort to the old-time tiresome method of gathering the herbs and making the tea. This is done by skillful chemists better than we could do it ourselves; and all we have to do is to call for the ready-made product, Wyeth's Sage and Sulphur Hair Remedy, containing Sage in the proper strength, with the addition of Sulphur, another old-time scalp remedy.

This preparation gives youthful color and beauty to the hair, and is one of the best remedies you can use for dandruff, dry, feverish, itching scalp, and falling hair. Get a fifty-cent bottle from your druggist today, and you will be surprised at the quick results. All druggists sell it, under guarantee that the remedy will be refunded if the remedy is not exactly as represented.

Locals Sent Vernon Home With Blues

Coshocton Wins In Two Big Games With Hiawatha Park Team Here Thursday — Visitors Swamped In Afternoon Game.

The Coshocton Regulars took the Mt. Vernon Hiawatha Park baseball team down at a fast clip Thursday at Riverside park in two games. The morning game went to the locals by the score of 13 to 12. The game was one of the worst slugging matches ever seen on the local diamond, each team securing 18 bingles. Thompson and White, of the locals, each made five hits in the morning game and White scored four runs.

The afternoon game which lasted but five innings proved to be easier picking for the Coshocton team than the morning game. In the first inning the local boys crossed the plate six times, practically sewing the game up. Wiggins, pitching for the Coshocton team, was in good form and allowed his opponents but five hits in the five innings that were played.

TODAY'S MARKETS

THE AGE RECEIVES BY WIRE DAILY MARKET REPORTS FROM PITTSBURG, CLEVELAND, CHICAGO, TOLEDO AND OTHER CENTERS CORRECTED EVERY DAY.

Pittsburg Live Stock

PITTSBURG, May 31.—Last Liberty reports today as follows:
Steers \$5.00 to \$5.25
Hogs 6.00 to 7.50
Sheep 1.50 to 3.50
Lamb 3.00 to 8.50
Calves 5.00 to 9.50

Cattle.
No cattle were received in the pens today. Rapidly falling and trade quiet all day. Tons steady values held on a nominal footing. Kasher trouble down east a retarding influence.

Calves.
115 head made up the total receipts—quality good. Outlet broad and leading active in all kinds. General values ruled firm—best veals \$9.50. Majority of out calves sold around \$7.50. Pens were cleaned up early—outlook good.

Hogs.
Supplies in the hog division denoted an increase. 150 hogs made up the total receipts—quality fair. The hogs heavy packing still coming. Demand improved and trade and more animation. Weakness in rest exerted a retarding influence. General values off a dime—pigs are steady. Good heavy and medium hogs sold at \$7.50 to 7.90. Best heavy quality went at \$7.80 to 7.95. Choice lights brought \$7.50; pigs \$7.25 down. A good clearance made in all desirable classes. Trade closed steady—prices \$4.20 to 4.40 on Monday.

Sheep and Lambs.
There was a fair run of sheep on the market. 1500 sheep and lambs made up receipts—quality fair. Fair demand noticed for good fat sheep. All for yearling lambs not very pronounced. Weighty fat springers are very pronounced. Weighty fat springers are displacing yearlings. Values in best sheep ruled firm—calves steady. Prime fat wethers topped at \$5.90; good \$5.75. Sellers quoted best lambs at \$8.25 to \$8.50. Top springers brought 11c; bulk good \$10.00.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough give it a trial and become acquainted with its qualities. For sale by all dealers.

DEAFNESS CANNOT BE CURED
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by a constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, O. Sold by Druggists, etc. Take Hall's Family Pills for Constipation.

WARSAW DEFEATS LOCAL ATHLETICS

The Warsaw aggregation of ball players took the local Athletics to camp Thursday afternoon on the Warsaw grounds by the score of 11 to 3. The game was featured by the hard hitting of both teams, but those of the Warsawites seemed to go the farthest and brought in more runs.

S.S.S. CURES OLD SORES

If an old sore existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the place that would kill the germs; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result. Just as long as the deposit of impurities which the circulation throws off. S.S.S. cures Old Sores by purifying the blood. It removes every trace of impurity and taint from the circulation, and thus completely does away with the cause. When S.S.S. has cleansed the blood, the sore begins to heal, and it is not a surface cure, but the healing process begins at the bottom; soon the discharge ceases, the inflammation leaves, and the place fills up with firm, healthy flesh. Under the purifying and tonic effects of S.S.S. the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be doubly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.

Rubberized Raincoats

Best Values Ever
Offered at . . . **\$5.50**

Remember the old time mackintosh—a practical enough garment, perhaps, when the rain fell—but how far different from the up-to-date Rubberized Raincoats—like those we want you to look at now. Dressy, light weight, perfectly protective for bad weather. Wind-proof, water-proof, damp-proof—and, besides, as stylish looking as any tailor-made garment. Excellent for auto and street wear. In fact, they can be worn any time or place, whether the rain falls or the sun shines. They are made of

Cheney's Rubberized Silk

and have a beautiful messaline finish which gives them a good sheen, and they are made in full dress lengths, in loose "boxy" styles.

In colors there is a good selection. Choose from black, blue, brown or green. Easy to find just what you want, both in style and color, among them.

We have priced them at \$5.50. But they are worth more. You'll say so as soon as you've seen them and compared them. Look them over, and if you haven't one already, you won't hesitate a moment to choose from them.

weeks ago, came to Coshocton, then went to Barbours where they were found working at the Barbours Inn, of which J. G. Klein, formerly of Coshocton, is proprietor, where they were caught.

The boys were given a hearing before Justice Mitchell of Tuscarawas county Wednesday afternoon and were bound over to the grand jury in the sum of \$200 each which was furnished by the parents of the boys.

The arrest of the boys followed a statement made by the girls during their examination by Humane Officer Jackson, Probate Judge Barnhill and Juvenile Officer Mrs. Apollo Oyes of New Philadelphia.

The girls, who come from respectable Sugar Creek families, were given a hearing at which their parents were present. After a lecture by the judge and the probation officer the girls were placed on probation and allowed to go home with their parents.

A Physician's Report on Tuberculosis Medicine

"I have used Eckman's Alternative in many cases of tubercular glands of the neck with excellent results every time. In one case it cost me \$50, for the girl was put on it only until she could afford to be operated, and in a short time an operation was not needed. I suppose your records are just as true as of old. You know my faith in it."

Eckman's Alternative is effective in other forms. Read what Mrs. Garvin says: "Gentlemen: I have gained twenty-two pounds since last February and my baby is in perfect health. She is now four months old. I have been waiting since she was born to see how I would get along. I am now doing all my work, have been ever since she was four weeks old, and I am steadily gaining. I do not cough or raise anything at all. I believe my lung trouble is cured."

(Signed) MRS. M. B. GARVIN.

Note—Mrs. Garvin is the mother of seven children.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates, or habit-forming drugs. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa. for more evidence. For sale by all leading druggists and C. B. Anderson in Coshocton, Ohio.

W. H. COMPTON WINS TROPHY

Many Compete for Prize in Country Club Golf Tournament

The first annual tournament for the H. D. Beach Silver Golf trophy was held Thursday afternoon at the golf links at the Country club, W. H. Compton by planting his flag just beyond the 17th green won the first contest and gets his name engraved on the cup, which will remain in the possession of the club until it is won for three successive years by one player. The cup will not be contested again until next Memorial day. Practically all of the players planted their flags near the 15th and 16th and 17th greens, showing that the play was closely contested. W. N. Day was a close second to Mr. Compton, he planting his flag just about 20 feet to the rear of the spot where Mr. Compton placed his.

The following is a list of the players with their gross score, their handicap and their net score:

Fair Play

One of the hardest things to wash is a mechanic's shirt. It accumulates dust and grime and grease, naturally, and the effort to get that dust and grime and grease out with ordinary soap is something tremendous. "Easy Task Soap," however, does half the work for you and makes the other half easier. Its duty is to get after the dirt and take it out. You don't have to rub and scrub over the tub. Tell your grocer you want it. Five cents a cake—same price as poor soaps.

KEENE PEOPLE ON TRIP WEST

Mr. and Mrs. J. M. Conrad, of the Keene vicinity, will leave Saturday morning on the W. & L. E. train for an extended trip through the west to be gone until October 31. During their trip they will travel a distance of \$500 miles. They will visit all of the important cities along the Pacific coast, and will return by the way of Canada and Utah, stopping at Denver and Salt Lake city.
